

The Louisiana Workplace Breastfeeding Support Program recognizes

LA SALLE GENERAL HOSPITAL

as a

BREASTFEEDING-FRIENDLY WORKPLACE

Breastfeeding-Friendly Workplaces must offer:

- Reasonable break time to pump breast milk, as needed
- A clean, private space with an outlet (not a bathroom)
- A working sink near the breastfeeding location
- Communication of lactation support to all employees

Thank you for supporting your employees!

Effective February 16, 2019
