### CERTIFICATION

In light of the spread of COVID-19, Governor John Bel Edwards issued Proclamation Number JBE 2020-30 on March 16, 2020 that provided for all state agencies, boards, commissions, and local political subdivisions of the state to allow attendance at essential governmental meetings via teleconference or video conference during the pendency of this emergency.

As the quorum requirement has not been changed, a simple majority of the total membership of the public body must still be engaged in the meeting in order to conduct business.

Pursuant to Section 4 of Proclamation JBE 2020-30, this Certification serves as notice that the Hospital Service District #2 Board of Commissioners will meet via teleconference on Thursday, March 26, 2020 at 1:00pm.

If any member of the public wishes to make comments concerning the agenda items, please contact:
