

To be certain, we are living in difficult and unprecedented times. As a healthcare facility we want to assure you that we are diligently working to maintain the highest level of care and quality. This goal is one that we strive to meet on a daily basis and we are continuing to do so as this world-wide, frightening pandemic further unfolds.

We know that anyone with symptoms is naturally worried and in search of guidance. Recommendations for management of this crisis are changing *constantly*. We endeavor to follow all guidelines put forth by the Centers for Disease Control and Prevention (CDC) and the Louisiana Department of Health (LDH). LDH has established a hotline for COVID-19 questions. Dial 211 for this service.
