LaSalle EMPLOYER SOLUTIONS

Excellence
**EVERY EMPLOYEE.
EVERY TIME.**

A service to help employers control costs by **keeping employees healthy and productive**

LGH Employer Solutions is uniquely qualified to assist employers with controlling work-related injury costs. The field of Occupational/Environmental/Industrial Medicine has a proven history of helping employers reduce Workers' Compensation costs by joining with employers. By partnering with LGH Employers Solutions, employers cannot only reduce costs, but also improve the health status and productivity of employees.
