October is #NationalPhysicalTherapyMonth and we want to celebrate by spreading a little extra love for our Physical Therapy staff. Matthew Jacksonson, PT, DPT, OT, MOT, Taylor Norris, PTA, and Beth Wilkins, PTA, are kind, compassionate, dedicated therapists that are at work daily in our Therapies & Fitness Center, LaSalle Home Health, and many area schools. If you run across these employees during October, give them a hug or an extra pat on the back to help celebrate PT month.
